CERTIFICATE OF BUSINESS IDENTITY

When dealing with new buyers, suppliers, customers, business partners or investors, gaining trust is crucial, but not always easy. Many companies conduct their own due-diligence screening, and rightly so, to protect themselves and minimize risk.

What Is a Certificate of Business Identity?

A Certificate of Business Identity issued by the Hong Kong General Chamber of Commerce gives people confidence in a certified business, and helps open up new markets.

We certify:

- Bona fide nature of carrying on business in Hong Kong
- Physical locations and contact details
- Corporate profiles – qualifications, licenses and other recognitions
